

COMMANDER WARREN E. CUPPS
CHANGE OF COMMAND

HON. KAY GRANGER

OF TEXAS

IN THE HOUSE OF REPRESENTATIVES

Monday, April 7, 2014

Ms. GRANGER. Mr. Speaker, I rise today to honor Commander Warren E. Cupps, Captain of the USS *Fort Worth*. The sixteenth of April two thousand fourteen marks a historic day for the United States Navy and the City of Fort Worth. Commander Warren E. Cupps will complete his successful tour as the Commanding Officer of USS *Fort Worth* LCS 3, Crew 103 Rough Riders.

Commander Cupps successfully commanded his ship and her Sailors through sixteen months of arduous sea duty. Taking Command on the seventh of December two thousand twelve, he commanded over 80 Sailors as crewmembers, mission package detachment crews and aviation detachment personnel. He has been instrumental in guiding the various mission packages including Surface Warfare Mission Package Detachment One, HSM-35 Detachment ONE and Mine Countermeasures Mission Package Detachment Three.

His leadership as the commanding officer is evident when the Commander of Naval Surface Forces in the U.S. Pacific Fleet awarded USS *Fort Worth* the 2013 Battle Effectiveness award. The Battle "E" is one of the highest awards presented to a ship. An annual award, it recognizes ships and crews who have demonstrated their combat readiness with superior performances in six categories in which they have maintained excellence and high standards.

Commander Cupps has led his crew through many milestones and achievements throughout the early life of USS *Fort Worth*. During his tenure, the ship completed Final Contract Trials, the Cybersecurity Inspection, the Technical Evaluation and Initial Operational Testing and Evaluation Period.

Final Contract Trials is a major ship inspection by the Board of Inspection and Survey, a congressionally mandated inspection. In the life of a newly constructed ship, it is the final inspection where the ship's material condition and operations are thoroughly tested. This is one of the last milestones in a ship's first year of life. Commander Cupps led his crew through the first-ever trial period for the newest class of ships, the Littoral Combat Ship.

In addition, USS *Fort Worth* is completing their Technical Evaluation and Initial Operational Testing and Evaluation Period. These events are crucial for the Littoral Combat Ship program in final testing of the seaframe, Surface Warfare Mission Package including 30mm cannons, 11m fast boats with maritime security teams and an MH-60R helicopter. In addition, during the crew's Cybersecurity Inspection, the crew set a new Fleet Record of excellence.

USS *Fort Worth* is one of the newest littoral combat ships to join our naval fleet. The Littoral Combat Ship, is a fast, agile and focused-mission platform designed for operation in near-shore environments and open-ocean operation, with war fighting capabilities to defeat asymmetric threats such as mines, submarines and fast surface craft. USS *Fort Worth* was christened in 2010 and commis-

sioned in 2012 celebrating the first time our great city has been named as a Naval vessel to honor our city. The citizens of Fort Worth have embraced the Sailors of USS *Fort Worth* with true Texas hospitality. Our city maintains a proud military heritage and is home to the Naval Air Station Fort Worth Joint Reserve Base.

The charge of command is an immense responsibility. It is the very soul of our Navy since 1775. It represents the finest level of leadership. Commander Cupps upheld the highest degree of naval standards and Navy traditions when commanding his Sailors. Through relentless hard work and determination, Commander Cupps exemplified Fort Worth's "Grit and Tenacity". The planks of USS *Fort Worth* are engraved with his leadership in professionalism, honor and virtue.

Finally, I will say the lasting impression within the bulwarks of USS *Fort Worth* will be the true loyalty and trust in which he instilled in his Sailors. At all times, Commander Cupps put his ship and her crew above himself. Warren, as a dear friend, I will say Bravo Zulu on your Command at Sea. Thank you for taking care of our men and women in uniform and keeping our ship combat ready. You are a great American and a Naval Officer of high honor and virtue. Fair Winds and Following Seas!

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Monday, April 7, 2014

Mr. SCHIFF. Mr. Speaker, I rise today to honor Dr. Edwin C. Krupp as he celebrates 40 years as Director of Griffith Observatory in Los Angeles. During these past four decades, Dr. Krupp has become an expert on ancient, prehistoric, and traditional astronomy, authored extensive publications on astronomical and science education to promote the field to the general public, and established Griffith Observatory as one of Los Angeles' iconic destinations.

Prior to directing the most-visited public observatory in the world, Dr. Krupp graduated with a B.A. in physics and astronomy from Pomona College in 1966; he followed with M.A. and Ph.D. degrees from the University of California, Los Angeles. Dr. Krupp joined Griffith Observatory in 1970 as a part-time Planetarium Lecturer, was appointed full-time Curator in 1972 after receiving his Ph.D. in astronomy, and was named Observatory Director in 1974. Soon thereafter, Dr. Krupp co-founded Friends Of The Observatory (FOTO) in 1978 as the Observatory's indispensable non-profit partner. From concept to completion, Dr. Krupp led the \$93 million, award-winning renovation and expansion of the Observatory from 2002–2006, which restored and renewed the historic landmark, transformed its exhibits and programming capabilities, and more than doubled the size of its public space. Attendance has increased every year since reopening, and now exceeds 1 million visitors annually.

In pursuit of groundbreaking research, Dr. Krupp has visited, examined, photographed, and measured over 1,900 ancient and prehistoric sites throughout the world, and has led 38 field study tours for UCLA Extension and other organizations to exotic locations of both astronomical and archaeological interest.

Dr. Krupp has also published noteworthy texts on astronomy throughout his career, such as "In Search of Ancient Astronomies" (1978) and "Skywatchers, Shamans & Kings—Astronomy and the Archeology of Power" (1997), both of which demonstrate his specialist contributions to the field of archaeoastronomy. Additionally, he has written several astronomy books for children, and hosted the astronomy education series "Project Universe" on the Public Broadcasting Service (PBS), in the late 1970s. These books and broadcasts, as well as his lectures, programs, and publications at the Observatory, have inspired countless new astronomers and archaeoastronomers, not to mention tens of millions of visitors.

It is with profound appreciation and respect that I congratulate Dr. Edwin C. Krupp on 40 years of leadership and innovation at Griffith Observatory. As an employee of the City of Los Angeles, Department of Recreation and Parks, Dr. Krupp embodies the best attributes of a public servant. His dedication, energy, and enthusiasm is extraordinary, and people the world over have benefited from his service and scientific contributions. I now proudly ask you all to join me in commending Dr. Edwin C. Krupp for going "to infinity and beyond" to share the wonder of the cosmos.

RECOGNIZING FAIR HOUSING MONTH AND HONORING OPEN COMMUNITIES FOR ITS COMMITMENT TO FAIR HOUSING FOR ALL

HON. BRADLEY S. SCHNEIDER

OF ILLINOIS

IN THE HOUSE OF REPRESENTATIVES

Monday, April 7, 2014

Mr. SCHNEIDER. Mr. Speaker, I rise during Fair Housing Month to recognize the 46th anniversary of the passage of the Fair Housing Act and to honor Open Communities, a non-profit organization in the suburban Chicago district I represent that is working to defend and protect fair, just housing for all.

In 1968, in the heart of the Civil Rights Movement, the Fair Housing Act was enacted, guaranteeing freedom from racial, ethnic, gender, religious, disability, sexual and marital discrimination in housing.

Today, Open Communities honors this legacy and protects these rights throughout the communities I represent. Founded in 1972, this organization educates individuals, officials, real-estate professionals and many others on fair housing standards.

Open Communities also conducts critical advocacy and offers assistance with claims and attorney referrals—all free of charge to the community.

Open Communities works to create a welcoming, inclusive community where all can come together, build their lives and raise their families. Born out of the Civil Rights Movement, Open Communities is carrying on the work that began in the 1960s and even further back.

The dedicated staff at Open Communities demonstrates a true, unwavering commitment to protecting fair housing rights and furthering the development of welcoming communities.

Mr. Speaker, our communities are best and strongest when they are fair and just and open. Open Communities honors the legacy of the Fair Housing Act, furthers the themes of Fair Housing Month, realizes a vision for more welcoming communities and brings the Tenth District closer together.

I am incredibly grateful for Open Communities' dedicated service, and I am proud to mark the 46th anniversary of the Fair Housing Act.
